BRITE-MARK® Medium

Permanent Paint Marker / Valve Action

DIRECTIONS

- Shake well with cap on
- Depress tip to start flow
- Replace cap when not in use

FEATURES

- Makes permanent bright marks on metal, rubber, plastic, glass, concrete, leather, stone, wood, vinyl and more.
- Quick drying, oil based, UV resistant paint withstands harsh indoor and outdoor conditions.
- Does not contain any HAP's (Hazardous Air Pollutants) which makes them a smart alternative to using spray paint and stencil for big, bold marks.
- Does not contain any reportable amounts of Xylene.
- Markers can be used to permanently identify inventory, assemblies, tools, finished products or work in progress while resisting most work related abuses or compounds.
- Valve action mechanism prevents paint in barrel from drying when the cap is left off.
- Bullet tips are replaceable to assure complete use of paint in each marker.
- Heavy duty aluminum body with large paint capacity.
- Top selling marker with a felt tip for smooth, even marks.

MATERIALS COMPATIBILITY

- Safe on most surfaces
- Removable with DYKEM® Remover & Prep
- Surface tests should be run to determine compatibility prior to use

PHYSICAL PROPERTIES

Appearance / Physical State	Varies
Odor	Sweet
